Amplilly Les Bordes

Abbaye de Fontenay

A close-up photograph of a large, dark, rectangular stone block, likely a sundial or a similar astronomical instrument. The top surface of the block features a circular carving with a central point and radiating lines, resembling a sunburst or a clock face. Numbers 1 through 12 are visible around the perimeter of the circle. An orange arrow points to the right side of the block. The block is set against a light-colored background.
